> FROM OUR CEO

Whatever your ambitions
—growing your business,
developing your people,
or delivering to the
highest standards—Weld
Australia is here to help
you make
it happen.

Geoff Crittenden

CEO, Weld Australia

Welcome to Weld Australia

As the peak body for welding in this country, our purpose is simple: lift capability, quality and safety across the entire sector, so Australian fabrication and manufacturing can compete, grow and thrive.

Our new membership structure is built for how industry really works. We've mapped benefits to real needs, so every member—no matter your size or specialisation—unlocks practical value from day one.

That value is tangible. Members can access immediate savings through credit vouchers, discounts and a growing ecosystem of offers, as well as ongoing returns through recognition, advocacy and community. Whether you're aiming to win more work, improve margins, or attract and retain skilled people, our membership is designed to help you get there faster.

Weld Australia exists to advance skills, quality and safety. Your membership opens the door to technical leadership: guidance on Australian Standards and compliance, certification readiness, CPD pathways, and best-practice resources that help you do the job right the first time. Our team is here to support your journey to excellence.

We connect members with suppliers, educators and partners, opening doors to projects, careers and innovation. Through our events, forums and working groups, you'll find a community that shares knowledge generously and collaborates to solve real-world challenges. And as your collective voice, we advocate with governments, standards bodies and major procurers to strengthen local content, lift performance, and build a resilient, sovereign manufacturing base.

If you're new to Weld Australia, welcome. If you've been with us for years, thank you for your continued trust. I invite you to explore the membership options in this prospectus and choose the one that best fits your role in the supply chain.

Whatever your ambitions—growing your business, developing your people, or delivering to the highest standards—we're here to help you make it happen. Join us, and let's build a stronger future for Australian welding, together.

A handwritten signature of Geoff Crittenden in blue ink.

Chief Executive Officer, Weld Australia

> WHO WE ARE

Weld Australia is the peak body representing the welding industry in Australia.

Weld Australia provides technical leadership, training, certification, and consultancy services to the industry, government, and defence sectors.

As the nation's foremost authority on welding standards and quality assurance, Weld Australia delivers impartial, evidence-based expert witness services for legal, insurance, and regulatory matters involving structural welding, failure analysis, and compliance with national and international welding standards.

A not-for-profit, membership-based organisation, Weld Australia is dedicated to providing our members with a competitive advantage through access to industry, research, education, certification, government, and the wider industrial community.

Our members are made up of individual welding professionals and companies of all sizes. Weld Australia members are involved almost every facet of Australian industry and make a significant contribution to the nation's economy.

Our primary goal is to ensure that the Australian welding industry remains both locally and globally competitive, both now and into the future.

Weld Australia is the Australian representative member of the International Institute of Welding (IIW).

Our Mission

Weld Australia is the leader in facilitating the growth of world class welding in Australia.

Our Vision

Weld Australia seeks to enable industry to access leading edge technologies for all types of joining processes through technology transfer, education and certification opportunities.

> MEMBERSHIP AT A GLANCE

Weld Australia's membership is built for how the industry really works. Whether you're delivering major projects, supplying technology, or building your career, you gain immediate value and momentum that compounds over time.

Join Weld Australia to plug into the peak body that lifts capability, quality and safety across our industry. You'll get value you can bank today like member pricing on training and events, targeted offers, and practical technical support. Plus, you'll see ongoing returns from recognition, advocacy and community.

Whether you're a fabricator, supplier, inspector, educator or asset owner, you can grow your skills, open doors to projects and partners, and add your voice to a stronger, more resilient Australian welding sector. All memberships types include:

- Member pricing on training, events, certification, exams and engineering services
- Access to technical updates, guidance notes and webinars
- Widespread credibility and visibility throughout Australia's industrial sector
- Career opportunities and professional development
- Inclusion in a national community that shares knowledge and opportunities
- A collective voice that advocates for quality, safety and local capability

LEAD, DELIVER, INFLUENCE

Designed for fabricators, contractors, asset owners and primes delivering Australia's most critical projects, Corporate Membership maps Weld Australia's full capability to your operating reality. You'll gain technical leadership, a powerful advocacy voice, and trusted connections across the national supply chain to help you can de-risk delivery, lift quality and accelerate growth.

WHAT YOU CAN EXPECT

- ✓ **Substantial Credit Vouchers:** Every Corporate package includes meaningful credit that your company can spend with Weld Australia on engineering services and training. It's flexible, simple, and it pays back immediately.
- ✓ **Industry Voice & Influence:** Direct input via Industry Groups, standards consultations and policy submissions, shaping settings on local content, safety and compliance.
- ✓ **Capability & Compliance:** Practical guidance on Australian Standards, certification readiness, procedure support, CPD pathways and best-practice resources to reduce rework and risk.
- ✓ **Workforce & Pipeline:** Training discounts, skills programs and talent touchpoints that help recruit, develop and retain welders, inspectors and engineers.
- ✓ **Visibility & Trust:** Company Updates and Spotlights, status listings and opportunities that reinforce your credentials with buyers and project owners.
- ✓ **Access & Opportunities:** Priority access to national events and activations, with curated introductions to suppliers, educators and partners to unlock projects and innovation.
- ✓ **Measurable Value:** Member-only pricing, partner offers, job ads and scheduled account check-ins to plan, track and maximise ROI.

Choose Corporate Membership to elevate performance today, and help build a stronger, safer, sovereign manufacturing base for tomorrow.

> INDUSTRY SUPPLIER MEMBERSHIP

CONNECT, SHOWCASE, GROW

If your business supplies equipment, consumables, software or services to Australia's welding and fabrication sector, this membership is the most direct way to reach the people who specify, purchase and use them. As the peak body, Weld Australia gives you trusted, permissioned access to a national audience of fabricators, contractors, inspectors, educators, asset owners and OEMs. In this way, your message lands where it matters.

WHAT YOU CAN EXPECT

- ✓ **Targeted Reach:** Promote to targeted member audiences with purchasing power, built for how the supply chain really works.
- ✓ **Alignment with Excellence:** Sponsorship of the Welding Excellence Awards, Industry Drinks Nights and more to ensure your brand is associated with industry excellence.
- ✓ **Brand Visibility:** Advertising placements, editorial features, dedicated EDMs, supplier directory listings, and social amplification to keep your brand front-of-mind.
- ✓ **Lead Generation:** Priority access to event activations, demos and webinars, with opportunities to showcase products alongside technical content and training.
- ✓ **Offer Ecosystem:** Run member-only promotions and trials that drive measurable uptake and repeat engagement.
- ✓ **Insight & Credibility:** Align your messaging with industry standards, safety and skills development, benefiting from Weld Australia's authority and advocacy.

Become an Industry Supplier member to start new conversations, shorten sales cycles and grow with a community that values quality, safety and innovation.
